Date requested of the Mobile Archery Trailer: _____

Where: _____

Time Start: _____ Finish: _____

A requested Date of the Archery Trailer is not a guarantee. There are limited dates per year that the trailer goes out; as we are a volunteer ran organization.

The Mobile Archery Trailer has been continuing to provide quality and safe Archery activity to the youth in the state of New Hampshire. The Mobile Archery Trailer is an introduction to the art of Archery; it is not a full program.

With heartfelt thanks, we greatly appreciate your desire to have us at your event. A small donation contribution is all we asked for covering of gas and wear and tear of the archery equipment.

Gratefully,

All the CJRAL Archery Volunteers
